— "Wayne Perham lived with Hobart and me for 36 years. He died in 1972."

During the visit of EAG, DWP & SRP to LNC on 5/29/79, LNC showed us many of the quilts in her quilt chest, including several very beautiful log-cabin pattern quilts.

SRP: "Have you made quilts all your life."

LNC: "Yes. I suppose I've made over 100 of them in my lifetime."
